Pacific Guano Company's Compound

Acid Phosphate of Lime

For Composting with Cotton Seed.

THIS article is manufactured at the Company's Works, under the direction and supervision of Dr. Ravens.

It contains the same elements of fertility as Soluble Pacific Guano, except that it is not furnished with Ammonia. It is prepared expressly for composting with cotton seed, which furnishes the element of Ammonia; the object being to render that side product of the plantation available to the highest degree as an element of fertility. For further and particular information apply to the user's agent.

TERMS: \$15 cash or \$20 on 1st November, 1870, for approved city acceptances or other good security.

THE HINKLEY FAMILY KNITTING MACHINE!

THE introduction of this great labor saving instrument, we are sure, needs no eulogy. The Sewing Machine is slowly but surely becoming as necessary to the family circle as any other earthly possession, and the time will come when the head of a family who does not furnish when able, that eye pointed needle, will be sent to the lunatic asylum. Who would demand that his wife or daughter should stitch, stitch, all the live long day, when there is an instrument that does the same work in an hour? In eight hours' work even saved! What to do with them? My people will get lazy, says one. When people have nothing to do they go at something wrong, says another. Is that so? We do not believe that a well-directed mind will devote itself to ordinary influences. Bestow one of the hours upon the garden and 'till improve the health if not the complexion; save one for attention to chickens, ducks, turkeys, etc.; add a pig to that lot; exhibit them at the next Fair; let one be spent upon the animal that furnishes you its supply of milk and butter; include a few sheep, they will repay your kindness with bright wool. But that is accompanied by what—a disagreeable necessity! knit, knit, knit!—Sew up your eyes, and count the stitches. Count the rows! The baby cries, and you forget to count again. Ah me, if I were only through this knitting how happy would I be. Create and enjoy the knitting is over. 'Fond memory,' and every piece of bright wire keeps up the fretful state until the darning epidemic comes on and if you do not darn then you must be good. How to prevent all this? We will tell you in a few words. BUY A HINKLEY FAMILY KNITTER. Give it an hour, knit, everything that ever has been knit, and when you are satisfied it will knit as many more. See the machine and you will see that it can perform its promise. Devote the remaining hour to moral and mental instruction. Tear out the 'piece' in a 'piece' from the knitter, and if satisfaction does not reign in the bosom of your family and on the soles of their feet, 'twill never 'rain' again. Call and see the machine in operation on Sale Day in December at Abbeville Court House.
